Flash Back

I can't believe a week has passed since returning to school! With the sun shining and the field now open when dry at break times and lunch times, it's certainly starting to feel like summer. It's lovely to see the children enjoying more of the playground equipment bought with PTA funding a little while ago now it's drier too.

FS1 Visitors

After saying farewell to their chicks before the holiday, F1 have had some new visitors arrive! The class will be watching these tiny caterpillars grow into butterflies before releasing them in the coming weeks. The children are very excited!

Competition Winners

On World Book Day, children were asked to design a poster based around this year's theme – 'Read your own way'. Three Y6s were our lucky winners! Well done girls!

Library Visits

By Tuesday this week, of our classes from F2-Y6 will have visited the library – not only have children behaved exceptionally, but it has been lovely to see them excited to get their own library cards, explore the library and take books home. Return visits are all planned in for the rest of the year – make sure to check your child's classes date so that they bring their library cards and any books that need returning.

Looking Ahead

Below is a link to a parent survey. We'd really appreciate your time in completing this trust wide survey. It shouldn't take long, and the feedback will help us to focus on our next areas for school improvement, both as an individual school and wider as White Woods Trust.

Picture News Assembly

This week, in Thursday's weekly news assembly, children will be discussing perseverance, linking to one of our 5b's – Be Resilient. We'll be exploring the story of Scottish runner, Jasmin Paris, who is one of only 20 people to even complete the Barkley Marathon, which is deemed by many to be the toughest race in the world.

Attendance

Well done to our winning classes last week!

EYFS/KS1 – F2M with 99.3%
KS2 – Y4LP and Y6ER with 100%
